Dear Dr. Wegenke, Pastor Trapp, members of the Governing Board and members of the Chapel,

After prayerful deliberation and consideration of the call you extended to me to serve as your Pastor, the Lord has led me to accept the call. I look forward to the opportunity to serve him and serve you as we work together to know Jesus and make him known on campus!

What a humbling few weeks for me and my family! I was truly blessed to consider which of two very exciting ministry opportunities the Lord wanted me to serve. The prayers and words of encouragement from so many of you brought me comfort and peace through this process. I am confident the Lord has led me in this matter and thank you for the confidence placed in me to consider this call.

Please join me in praying for Luther High School, who will be calling a new dean of students. It is never easy to leave a place you have been a part of for almost 17 years, but I look forward to this new challenge and exciting opportunity in my ministry.

Again, I thank you for the privilege to consider this call. I can't wait to meet all of you and get started with my work there as your pastor. I am sure we will be in contact soon. Until then, God be with you all.

Peace in Jesus,

Pastor Jonathan Bilitz
