Security and Contract Deposit:

In order for the requested space to be reserved for your event date and time, the Chapel must receive a \$750.00 security deposit 60 days before your wedding. The deposit covers property damage and holds your reservation for use of the facility during your event. All or a portion of the deposit will be refunded when property assessment is satisfied after your event. Chapel may retain some or all of the security deposit to pay for damages to the Chapel caused by you or your guests, ordinary wear and tear excluded. If any portion of the deposit is withheld, Chapel will provide an accompanying itemized statement describing any damage with the cost or estimated cost of repair or replacement and accounting for any amount withheld. Retention of all or part of the security deposit shall not limit Chapel's right to pursue the recovery of damages from you and/or your guests if the actual cost to repair or replace the damage exceeds the security deposit.
