

TAKING CHRIST'S LIGHT TO CAMPUS

Wisconsin Lutheran Chapel & Student Center

Quarterly Update | Fall 2024

COLLEGE STUDENTS RETURN!

Students have returned to Madison for another academic year and found many activities at the Chapel to welcome them back:

- Chapel had its first ever “FREE Garage Sale” event. Many students came by the Chapel to pick up gently used kitchen items, furniture, and even some wall décor. The items were free, as our goal was to showcase God’s free grace for us!
- Returning students had an opportunity to go on a pontoon boat ride on Lake Monona with Captain Todd!
- We continued with annual events such as the Welcome Back BBQ, Eat Your Way Through Chapel, and our Bonfire at Picnic Point.
- Our UW student organization, Christian Faith in Action (CFiA) has been at work already...serving at River Food Pantry and Second Harvest Food Bank, and cleaning up trash on Gilman Street.
- Finally Fridays have also returned, an opportunity for staff to get to campus and interact with the students in their environment.

We’re grateful for all the support, work, and time from our congregation, the housefellow, and the Chapel staff to make these events welcoming to all.

REACHING OUT WITH “TOUR OF MADISON”

On Sunday, September 2, 2024, we had the awesome opportunity to take part in the Tour of Madison. Many local volunteers welcomed international students from 32 different countries who were new to the area by driving them around Madison to see the sights. The cars ended the tour at a host house where food was enjoyed, conversations could continue, and friendships could continue to form. Chapel had six cars and two host houses participating. It was great to spend time with these new friends, and we have already seen a few of them attend other events at Chapel since then!

NEW SCHEDULE FOR INTERNATIONAL MEALS

This semester our International Outreach Coordinators Jacob and Hannah Zhang are trying a new approach to our monthly international meals. Lunches will be held on Sundays at 12:00 p.m. Each month they will invite friends to help cook an authentic meal from a different country. On September 8 Jacob, Hannah, and many Chinese friends helped make over 1,000 Chinese dumplings to serve 130+ people! Still to come this semester: October 13: Indonesian cuisine; November 10: Japanese cuisine; December 8: Brazilian cuisine. Mark your calendar for some delicious food!
